Heritage – People – Landscape

We wanted our ethos “Heritage – People – Landscape” to be reflected in our wine selection. With the help of l’Art du Vin Wine Merchants, we have put together a focused and very personal list which includes wines made by independent, artisan producers from around the world. This list evolves according to seasons and we have included some little gems which are personal favourites.

Champagne and Sparkling Wines

The majority of the grapes used for vinification come from a radius of 20km around Epernay, where the Grand Crus of Pinot Noir, Pinot Meunier and Chardonnay co-exist, in the ethereal vineyards of the Montagne de Reims, the Vallée de la Marne and the Côte des Blancs.

The Billecart-Salmon Brut Réserve NV is a blend of 40% Pinot Meunier, 30% Chardonnay and 30% Pinot Noir. The most recent bottling contains around 40% of fruit from the 2015 harvest with the remainder topped up with reserve wines. The result is a light and delicately fruit-filled cuvée with aromatic and spicy notes from the Pinot Meunier. Further aromas include redcurrant, chalky notes and hints of ripe pears. The palate is round, elegant and finessed, leading to an intense, persistent, well-structured and saline finish.
